

MONTE VISTA CHRISTIAN SCHOOL

FINANCIAL ASSISTANCE PROGRAM

FINANCIAL AID/MEMORIAL SCHOLARSHIP APPLICATION

All forms must be received by February 15 to be considered for the following school year.

The central purpose that guides the MVCS Financial Aid program is to enable students to attend a private Christian school who otherwise would not be able to do so. We offer partial tuition assistance to qualifying families.

The program is driven by Monte Vista Christian School's mission to champion students to achieve their highest potential through Christ-centered educational excellence.

We appreciate every family's sacrifice to send their children to Monte Vista. We have a finite amount in our budget for Financial Aid, and want to be good stewards with our resources. It is our privilege to help as many Monte Vista families as we can.

Because our Financial Aid is primarily “need-based”, we may also look at a family’s discretionary spending choices (vs. true “need”) in determining the amount of Financial Aid that is awarded.

This questionnaire is designed to get the most detailed and accurate understanding of not only your family’s expenditures, but also intangibles we need to consider in your situation.

Are there special circumstances not represented in your FAST application that would be helpful for us to know?

Do you have grandparents or other family members who would be willing to help pay for tuition for your children? If so, how much can they collectively contribute?

Please describe both parents current work status (e.g., numbers of hours per week, place of employment, volunteer hours per week, etc.).

Does your family own a vacation property/timeshare, RV, boat, jet ski, recreational vehicles, etc? Please describe, detailing monthly payments and additional expenses associated with it/them?

Do your children participate in extra-curricular activities at Monte Vista or other places (sports, gymnastics, music, etc)? Please describe activities.

How can your family contribute to Monte Vista's mission? Please explain.

Please prayerfully consider your family's financial situation and creatively think through ways to pay tuition, minimize other expenses, and bring other income to your home (e.g., mother works part or full-time, family members help with tuition, etc.) After examining all these factors, what is the maximum amount of tuition you believe you can pay? (Please specify monthly or yearly).
